

ROY D. MERRITT FOR U. S. PRESIDENT
CAMPAIGN SPEECH # 34

- I'm Roy Merritt and I am running as a candidate for the presidency of the U. S. A. in 2024
- *America's On Fire Burning*—the title for my latest poem. As a candidate for the presidency of the U. S. A. in 2024, I ask all Americans and all people of the world to go online on the WWW at <https://www.merrittforpresident.org> to read a copy of this poem. Demand access to it! Do not let it be stifled and censored by the media—the 4th Estate
- Some ideas are so incendiary that they have to be closed down and “blocked” and censored from the American people and the people of the world
- Although it is the Democratic Party that is now the Party of Terrorism, and supports the overthrow of the U. S. government, it is the ideas of Conservatives and Republicans that are considered incendiary by the media and the 4th Estate and must be censored
- As I have stated many times previously, Conservatives, Republicans and I are NOT in favor of usurpation—overthrowing the legitimate government of the U. S. A. by having individual States like New Mexico and eventually the whole U. S. A. not living under the U. S. Constitution on which our country and the federal government were and are founded
- However, the Democratic Party, unofficially the current U. S. government, the State of New Mexico, Doña Ana County, N. M., the City of Las Cruces, New Mexico State Terrorist University, and the 4th Estate are now being led by leaders who on paper support the overthrow of the U. S. government
- However, my ideas, thoughts, and political views as a candidate for the presidency of the U. S. A. in 2024 are so incendiary that they must be “blocked” and censored from the American people and the people of the world by the 4th Estate, the national and international media, the internet and WWW
- My current website at <https://www.merrittforpresident.org> is useless to me as a legitimate candidate for the presidency of the U. S. A. in 2024

- Yet, I am a Conservative candidate and want the U. S. A. to continue to exist as a legitimate government in the 21st century under the original 1776 American Revolution, Declaration of Independence, the U. S. Constitution, and the rule of law and order
- In my view, the U. S. Congress needs to immediately schedule hearings similar to those held during the McCarthy era of the 1950s to determine if the whole Democratic Party has gone “rogue,” counter-revolutionary, terrorist, and *coup d’ é tatist* in support of the overthrow of the legitimate government of the U. S. A.
- Is it the whole Democratic Party or only segments? Is my campaign slogan accurate? That is, “NOT ALL DEMOCRATS ARE TERRORISTS [BUT MOST IN NEW MEXICO ARE...]” Are many, or most, Democrats in other States of the American Union and in the federal government terrorists, traitors, counter-revolutionists and *coup d’ é tatists*?
- Is it the whole Democratic Party, the 4th Estate, Internet and WWW that are now terrorist, counter-revolutionary, traitorous and *coup d’ é tatist* for the overthrow of the U. S. government or only parts of them, as represented by the State of New Mexico, Doña Ana County, N. M., the City of Las Cruces, New Mexico State Terrorist University, the 4th Estate, Internet and WWW?
- Are all or only part of the Democratic Party “fire-starters,” “firebugs,” “arsonists,” and “pyromaniacs”?
- Although it is Conservative and Republican ideas, thoughts and political views that are so incendiary, it is those of the Democratic Party and their supporters that are actually so in fact
- Conservatives and Republicans are for protecting the U. S. A., the original 1776 American Revolution, the Declaration of Independence, U. S. Constitution, and the rule of law and order
- It is now the Democratic Party and its buttressers who are for terrorism, chaos, anarchy, and government overthrow. It is the Democratic Party whose ideas, thoughts, and political views are incendiary, terroristic, traitorous, counter-revolutionary, and *coup d’ é tatist*

- 
- This, of course, makes many, if not most, universities and higher-level educational institutions ALSO in support now of terrorism, chaos, anarchy, counter-revolution and *coup d' é tat*
 - It is now the ideas of the Democratic Party that cannot compete on a level playing field with those of Conservatives and Republicans, and have to be protected by the 4th Estate, Internet and WWW
 - In the mid-1950s, during the so-called “McCarthy era,” the U. S. Republican Senator from Wisconsin, Joseph Raymond McCarthy, held the Army-McCarthy hearings—later referred to as “McCarthy trials” in 1954—sensational investigations into alleged Communist subversion of American life
 - These investigations were first made in 1950 into federal departments, the Army, and later among prominent civilians
 - “McCarthyism” became a word for charges made without proof and accompanied by publicity
 - After the national publicity that was directed on his activities by the Army-McCarthy hearings (1954), Senator McCarthy was formally censured by fellow senators, and his influence steadily diminished
 - Is history repeating itself? Is the same thing going to happen to me as a candidate for the presidency of the U. S. A. in 2024?
 - Are we to have “Merritt trials,” “Merritt hearings,” and “sensational investigations” into Democrats, States, levels of government, military branches, and federal departments to determine the extent of alleged Democratic Party subversion of American life, terrorism, chaos, anarchy, counter-revolution, *coup d' é tatist* government overthrow, the censoristic control of the news media, 4th Estate, Internet, WWW, etc.?
 - Is “Merrittism” to become a dirty household word similar to “McCarthyism”?
 - Who is legitimate and who is illegitimate?— the Democratic Party OR Conservatives and Republicans?

- Whose ideas, thoughts and political views are actually subversive and should be actually censored? Those of the Democratic Party OR those of Conservatives and Republicans?
- Are my ideas, thoughts, and political views subversive or is it those of the Democratic Party?
- Am I a subversive or subverter? Are my ideas, thoughts and political views subversionary or is it those of the Democratic Party?
- Is it me whose ideas, thoughts and political views are incendiary or is it those of the Democratic Party?
- In short, why am I being censored by the national and international media, 4th Estate, Internet and WWW? Why is my website at <https://www.merrittforpresident> being blocked and censored?
- Thank you very much and may God bless and protect the U. S. A.
