

**ROY D. MERRITT FOR U. S. PRESIDENT
CAMPAIGN SPEECH # 14**

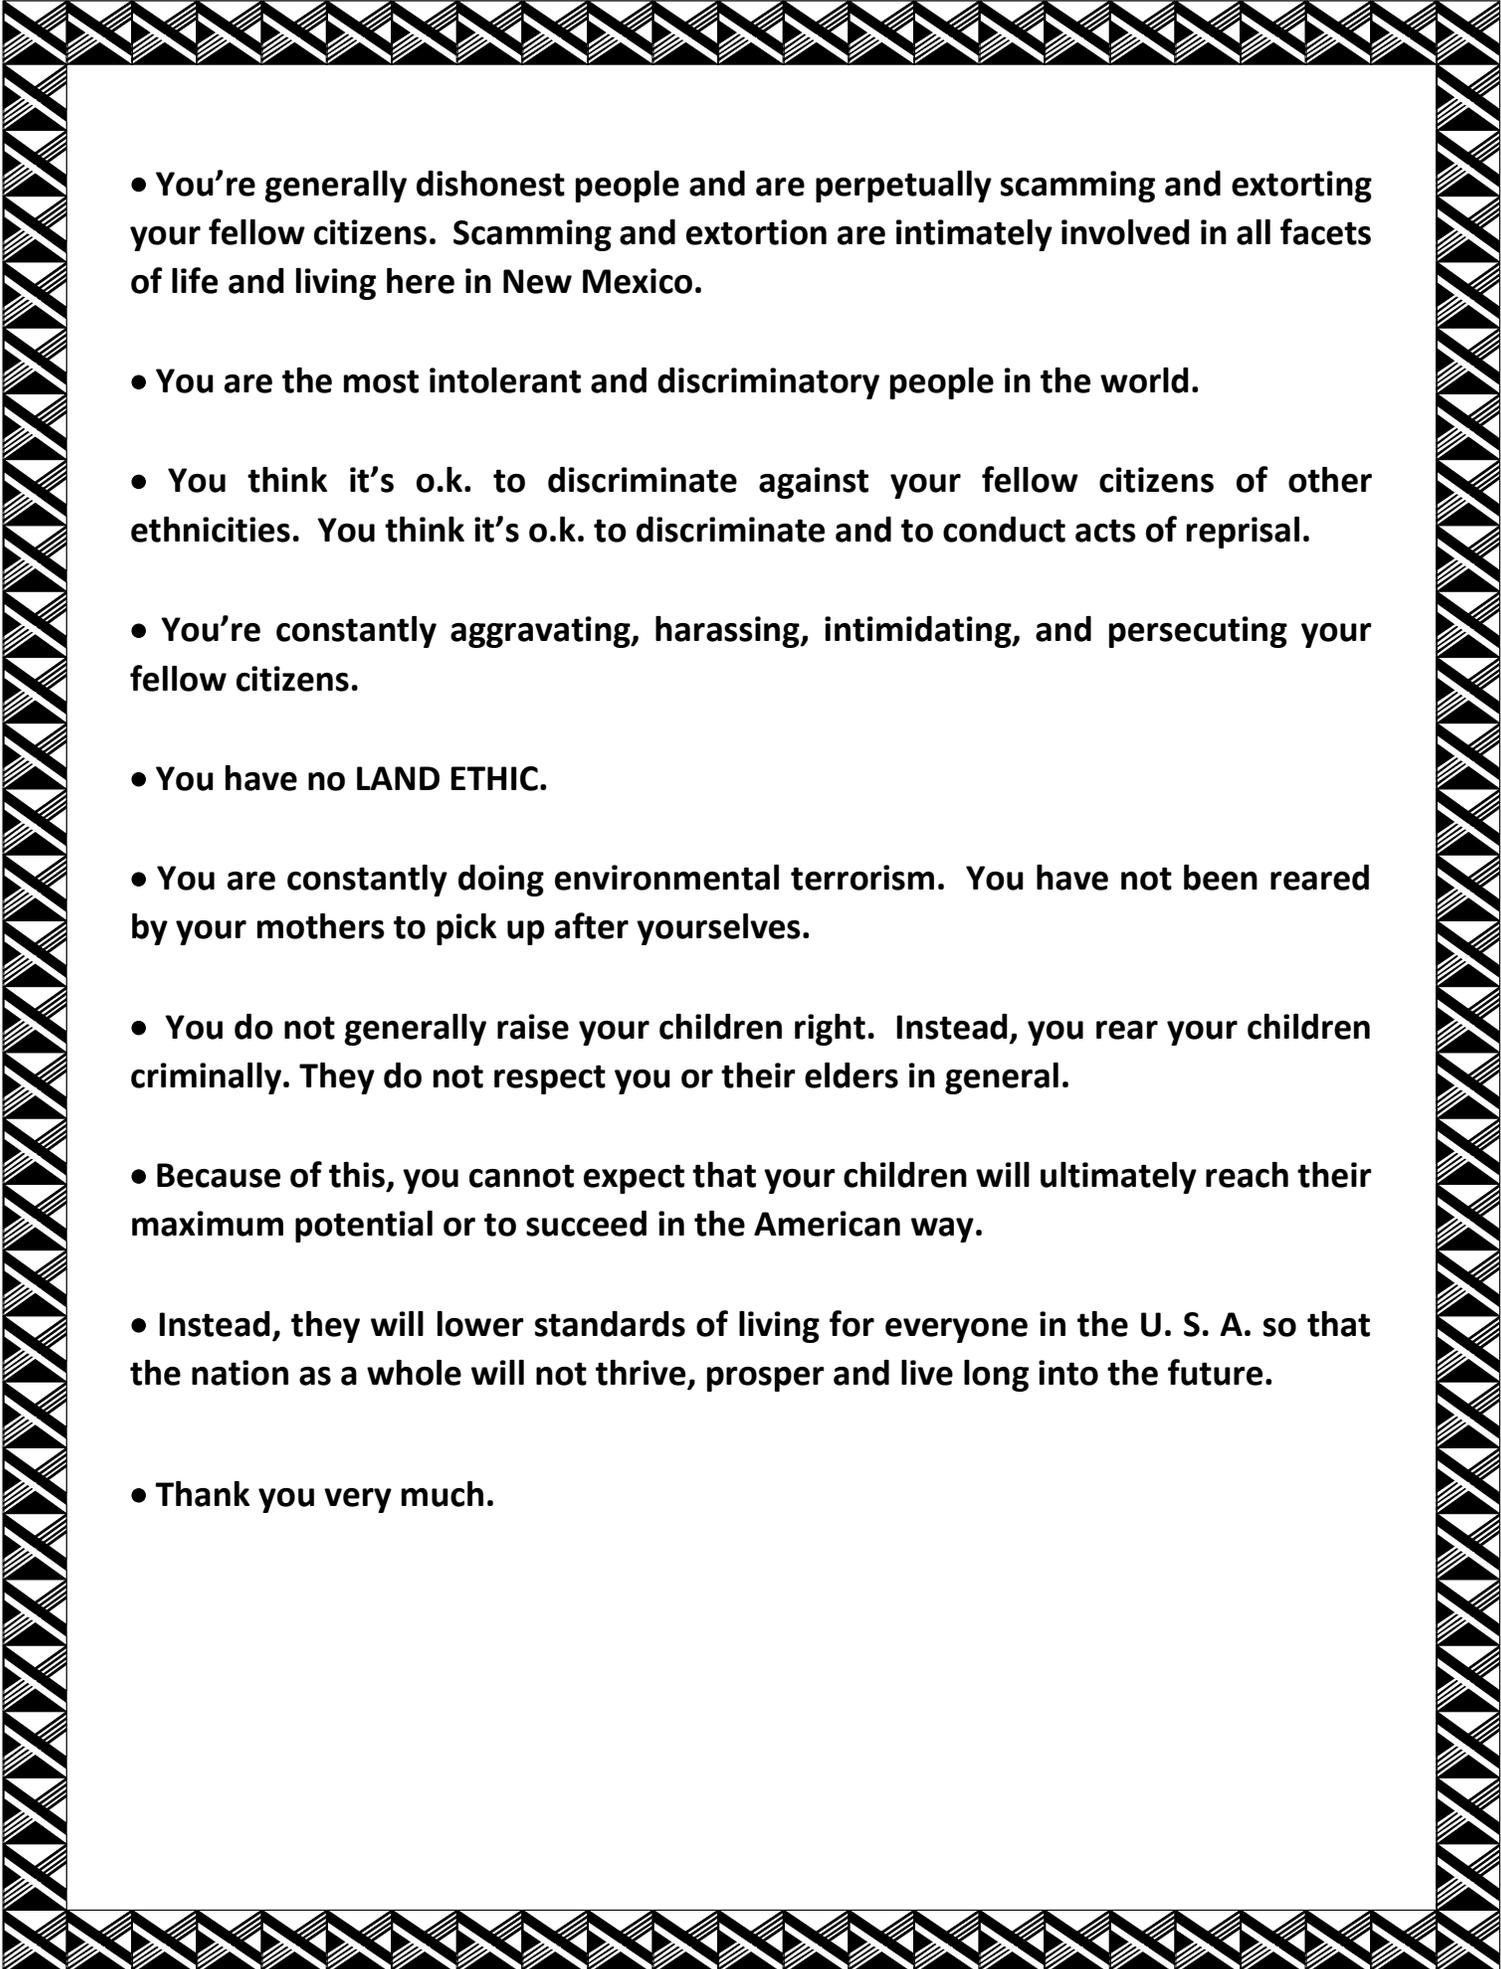

- I am Roy Merritt and I am running as a candidate for the Presidency of the U. S. A. in 2024.
- I have named my campaign “NOT ALL...DEMOCRATS ARE TERRORISTS!” It appears to me that most Democrats in New Mexico are now terrorists and perhaps most Democrats nationwide are. After all, people generally tend to look after their own self-interests. It behooves the Democratic Party to do whatever it takes to remain in power, and to hopefully gradually change the U. S. government into a one-party authoritarian system under a despotic “Hitler” or “Mussolini.”
- This particular campaign speech—#14—is aimed primarily at Hispanics, Democrats, and terrorists in New Mexico.
- You are a clear and present DANGER to the U. S. A. You are a cancer growing on our nation that has to be excised.
- You believe it’s o.k. to come into the U. S. A. illegally—that invading the U. S. A. *en masse* is o.k.
- Generally speaking, you are not good citizens of the U. S. A.
- You have not integrated into American society.
- You are revolutionaries, traitors, and treasonous people toward your own country.
- You’re involved in open insurrection against your country,
- You are conducting a silent, subliminal WAR against your country—the U. S. A.
- You’re filled with hate, envy and jealousy.

- 
- **You're not concerned with your Constitutionally guaranteed rights, freedoms and protections.**
 - **You believe that it's o.k. to deny other citizens their rights, freedoms and protections.**
 - **You have no feelings of PATRIOTISM toward the U. S. A.**
 - **You are not loyal and faithful citizens, and do not owe your primary allegiance to the U. S. A.**
 - **You do not see the U. S. A. as being a special nation based on its founding, history, traditions, and its Constitutional ideals and principles.**
 - **You have no civic mindedness or civic pride.**
 - **You do not LOVE your country.**
 - **You do not strongly support our democracy and our republic form of government in the U. S. A.**
 - **You do not support the U. S. Constitution.**
 - **You do not respect our nation's flag. You generally hate the U. S. FLAG.**
 - **You do not DEFEND the U. S. A. unconditionally.**
 - **You do not obey the laws of the U. S. A.**
 - **You have developed a lawless and chaotic society in New Mexico.**
 - **You only seek self-gratification in one form or another.**

- 
- There is no unity, peace, tranquility, or liberty here. You are not free, and I am not free.
 - You harbor strong sentiments of **AFFILIATION** toward your former countries, and many of you expect to return to your home countries after you've exacted as much "booty" as you can from the U. S. A.
 - You live in a bubble, an echo chamber, and all of you seem to **THINK** alike. You feel that others have to do things (like landscaping, for example) in the same exact way that you do.
 - You have no thought of voting and supporting any other **POLITICAL PARTY** than the Democratic Party.
 - You believe that you are special and that you should be given special rights and privileges over other citizens of the U. S. A.
 - In fact, you feel that you are **BETTER** than your country's own people when you're clearly not.
 - You cheat and cut corners in order to garner more **MONEY** and income to get ahead. You look to money as the sole source of a good life. You place way too much emphasis on money. You believe that more money will necessarily lead to a better and more enriching lives for you and your children.
 - You believe and expect that huge houses, large expensive vehicles, and more children will necessarily lead to a better life and greater happiness for you.
 - You are the most **SELFISH** people on Planet Earth.
 - You're generally lazy and do not work hard. You're unskilled for the most part.
 - You are taxing and adding huge **BURDENS** on the societal systems of the U. S. A. You place too much of a burden on your fellow citizens and American society with the number of children and dependents you have.

- 
- You are constantly asking for more, more, and more, and what your country can do for you.
 - You want to be paid in hard dollars for everything you do.
 - You feel that it's o.k. to "sponge" and "mooch" off society.
 - You are constantly asking what your country can do for you.
 - You have no impulse to "give back," "to deliver," to be a "positive force" to and for society.
 - Most of you are not generally PRODUCTIVE citizens.
 - You are not AMBITIOUS for the most part.
 - You do not generally stand for your WORK. Be proud of your work and be willing to sign your name to it.
 - You feel it's o.k. to refuse to do service, or to perform services at a lower level, for citizens of other ethnicities.
 - You are not willing to pay your dues and put in the time, energy and work needed to SUCCEED in the U. S. A.
 - You expect to get your way before you play.
 - You expect and believe that you should be given PREFERENTIAL TREATMENT over other citizens and poor and deprived people born in the U. S. A.
 - You feel that you need to be CATERED to.
 - Many of you do not speak ENGLISH, and never expect to do so. You believe it's o.k. to speak SPANISH to Anglos and English-speaking citizens in public.

- 
- You expect free and better **MEDICAL CARE** than your fellow citizens, who have to pay for theirs in addition to paying a premium for your care.
 - You expect to get a free **EDUCATION**, especially at the collegiate level, in the U. S. A.
 - You think that it's perfectly o.k. to take welfare checks and other free benefits from the U. S. A.
 - Many of you receive regular large income **TAX REFUNDS** from the U. S. A. for doing nothing.
 - You are constantly asking what your country can do for you.
 - You are generally uncivil and uncivilized.
 - You're constantly disturbing the peace of your neighbors.
 - You regularly trespass against your neighbors.
 - You turn to crime, vandalism and terrorism to get what you want.
 - You're guilty of doing hate crimes.
 - You will generally say anything and do anything.
 - You have no morals, ethics, or values.
 - As Catholics for the most part, you believe that all of your sins will be expiated and forgiven.
 - **TERRORISM** and terroristic acts pervade every aspect of life and living in the State of New Mexico. Almost everything you do can be used as an act of terror and terrorism.

- 
- You're generally dishonest people and are perpetually scamming and extorting your fellow citizens. Scamming and extortion are intimately involved in all facets of life and living here in New Mexico.
 - You are the most intolerant and discriminatory people in the world.
 - You think it's o.k. to discriminate against your fellow citizens of other ethnicities. You think it's o.k. to discriminate and to conduct acts of reprisal.
 - You're constantly aggravating, harassing, intimidating, and persecuting your fellow citizens.
 - You have no LAND ETHIC.
 - You are constantly doing environmental terrorism. You have not been reared by your mothers to pick up after yourselves.
 - You do not generally raise your children right. Instead, you rear your children criminally. They do not respect you or their elders in general.
 - Because of this, you cannot expect that your children will ultimately reach their maximum potential or to succeed in the American way.
 - Instead, they will lower standards of living for everyone in the U. S. A. so that the nation as a whole will not thrive, prosper and live long into the future.
 - Thank you very much.
