

**ROY D. MERRITT FOR U. S. PRESIDENT  
CAMPAIGN SPEECH # 5**

- In the U. S. A., we cannot and we will not walk about as docile mice.
- We cannot and we will not be afraid of our own governments. We cannot and we will not live in fear and apprehension.
- We in the U. S. A. must be and will be free to be who we are.
- We cannot and we will not have local governments walking all over us.
- We cannot and we will not be punished for not doing anything wrong.
- *Coito*, Doña Ana County! *Trato*, Doña Ana County! *Intercambio*, Doña Ana County! *Comercio*, Doña Ana County!
- If I've garbled and walked all over the Spanish language, "Good!" I don't have to know and speak Spanish to live here, but you do or are supposed to know and use English to live here.
- Doña Ana County is a government bureaucracy out-of-control and I'm going to rein it in and harness it.
- If I have to tear down that multi-story county office building to do it, I will! I will fire every employee of Doña Ana County and put you all out on the street.
- Stop walking all over me! Stop attacking me! Stop destroying my property! Stop destroying my freedoms and constitutional rights!
- In the U. S. A., I am bigger and I should be bigger than you are!

- 
- Get down on your knees like I do, and clean up outside my property and the county fence line on Dripping Trash Road!
  - Clean up, fix up, and beautify the North side of Dripping Trash Road!
  - I don't care if you think you're too good to get down on your knees.
  - You're just small-time bureaucratic county workers trying to take away my freedoms and constitutional rights.
  - You're going to have to "pay" me in one way or another for what you have done to me and my life over the past 3+ years.
  - You're going to have to "pay" me for destroying my life, health, peace of mind, contentment, happiness, family harmony, desirable relationships with others, outlook, prospects, promise, potential, expectations, and hope!
  - As a small-time government entity, you cannot and you will not increase my miserableness as a citizen of the U. S. A. Doña Ana County already has a misery index, by my estimation, at least twice that of Zimbabwe!!!
  - Stop the harassment, intimidation, persecution, and criminal acts against a free citizen of the U. S. A. Don't facilitate, expedite, or force others to do your dirty work for you!
  - GET BACK IN YOUR CAGE, DOÑA ANA COUNTY! RESTRAIN YOURSELF!
  - GET DOWN ON YOUR KNEES AND PRAY, DOÑA ANA COUNTY! PRAY THAT I DON'T DESTROY YOU LIKE YOU HAVE TRIED TO DO TO ME! PRAY LONG, HARD, AND REPEATEDLY!
  - YOU HAVE AWAKENED A SLEEPING TIGER, AND I'M GOING TO EAT YOU UP UNLESS YOU RETREAT!!!
